ANNUAL REPORT PREPARATION COMMITTEE

Dr. L.S.Tulankar - Director

Dr.A.S.Barde – Convener

FROM THE PRINCIPAL'S DESK

Shri Bhayyaji Pandharipande National Institute of Social Work established in the year 1968, with a view to train students in professional social work, and prepares manpower for social welfare and social development. The institute is affiliated to the Rashtrasant Tukodoji Maharaj Nagpur University has a proud tradition of over forty four years of social work education. The institute's primary mission is to educate and train persons for professional practice and for leadership roles in the social services and the social work profession. The institute has the benefit of having a very progressive and active governing body (management) dedicated to the cause of the development of the college. It helps the institution in raising additional resources which are utilized for strengthening the infrastructure and meeting welfare needs of the students.

BPNISW aims at "Excellence in Social Work Education". The primary aim of this prestigious institution is to lay more emphasis not only to develop the technical skills of our students, but also to nurture professional competency, self-confidence, managerial abilities and entrepreneurial development. To meet the needs of the present day, job oriented, socially relevant and innovative course like social work, has been introduced. This course enables the students to develop their professional skills for a prospective, meaningful employment.

I am extremely happy that the annual report committee of the institute is bringing out the annual report for the session 2016-17. The efforts made by the committee members are worthy of praise. I wish all students the very best in the coming examinations and hope they will bring laurels to the institute.

F) Students Research Projects

The students Research Project is a compulsory part of the syllabus of BSW-III & MSW-II. The Research activities in the college are promoted by encouraging the final year students of B.S.W. and Post Graduate students to participate in project work. Project work conducted by our students (including BSW-III & MSW-II) on **(13+44) =57** titles during the academic session with the guidance of respective supervisors. The students worked on different social issues, which are affecting the masses and came out with significant findings. We hope that the research conducted by the students will be helpful to the Government for policy making. The research reports are kept in the college library for the use of those interested in it.

13. Extension Activities of the College:

The college has initiated following field action extension activities with a view to provide meaningful field work training facilities to the students as well as to serve the community.

A) ELDERLY CARE AND ORTHO APPLIANCES PROJECT:

This project has been started from July 2009 for senior citizens. The Institute in association with Rotary club of Nagpur Down Town has given shape to a new field action project and is named as “Center for Elderly Care and Ortho Appliances”. It has been observed that with the changing times, the issue of the care of the elderly and looking after them has assumed serious dimension. Their problems go unnoticed and even the equipments useful for them do not become easily available. Under the circumstances, this center proposes to provide them the necessary medical equipments. The center also offers the services to the elders, expert’s advice and counseling as well as training for the voluntary social workers in elderly care.

B) RAJIV GANDHI NATIONAL CRECHE SCHEME:

The ongoing field action project named Rajiv Gandhi National Crèche Scheme for the children of working mothers, sponsored by Central Social Welfare Board. Under this scheme two centers have been running in Shivajinagar and new Shukrawari areas. The scheme is providing unique opportunity for our students to meet the field work training requirement which is compulsory part of social work practicum.
