

# Shri Bhayyaji Pandharipande National Institute of Social Work, Hanumna Nagar, Nagpur

## **Extension Activities :**

Extension activities of the institute provide a link between the institute and community (society). Being a college of social work, extension has always be an integral part of our institute. The institute continuously working with the aim of extension and community welfare through its field work programmes and NSS activities through using different techniques such as dialogues, recreational activities, interactive and participative programmes , surveys', group work, group discussion , street plays etc.

We are continuously trying to create awareness among masses about their rights, access of information, exploitation, discrimination, employment opportunities. Our basic education, research and extension are based on human values to help individuals/families and community as a whole to lead a successful life in changing our neighborhood society which is also the surviving strength of the BPNISW. The extension activities of the institute are geared to promote welfare of the society.

**These extension activities are grouped in following heads :**

1. Community Services:
2. The Various Outreach Programmes of The College
