## Feedback From Alumni 2020-21:

### ANALYSIS:

Alumni feedback was collected during the months of March 2021. Dr. A.S. Barde, In charge of the Alumni committee collected the feedback and analyzed with the help of office staff. The purpose of this activity was to get the opinion of Alumni on various issues pertaining to the institute. Total 46 alumni participated in the survey. In all eight questions were put in the feedback. Following is the analysis of the feedback done by faculty members of the institute.

The important question was asked whether Field work training is significant for the job presently performing by you? To this question the alumni responded as “Highly Relevant” = 38%, “Relevant”=16%, “No opinion”= 31% and remaining “Not relevant” =15%. The data reveals that majority of the alumni are of the opinion that while doing job they find that field work training is significant. As regards to significance of research project, the data shows that 59% of them find highly relevant while performing job. 19% also found it is Relevant, 20% had no opinion on the question while remaining 2% found that it is not relevant. The data clearly indicates that majority of the alumni found it is relevant. The alumni responded to the question – significance of social work course to the present job they are performing. 54% of them had no opinion, while 23% opined that it is not relevant. Only 13% and 10% opined it is highly relevant and relevant respectively. As regards to the question about their feelings as far as college administrative office is concerned, 52% of them said that it is Very Good, 17% said it is Good while 13% had no opinion to express on this and remaining 18% graded it as “Poor”. This finding needs correction in the office administration. Similarly opinion on the Library was sought. Data reveals that 43% said that it is Very Good, 17% said it is good, 8% had no opinion to offer while 32% regarded it as Poor. The finding needs to be taken for consideration for corrective measures.

The question was asked to the Alumni whether they feel proud to be Alumni of this institute, 87% of them responded positively and said “Always” while remaining 13% expressed their inability to respond and said “Can’t say”. Specific question was asked to them as to how can you extend help to the institute. The question was open ended. Their suggestions are grouped as following –

1. Will inspire students of different area to join social work course at BPNISW.
2. Fee waiver should be given to help poor students.
3. In view of the acute shortage of opportunities in social work fields guide students for competitive examinations and employment.
4. For the continuous development of the institute can give new ideas.

Another open ended question was asked to them as what are the main drawbacks of this institute? The responses are grouped as following-

1. The institute does not openly oppose of the employment policy of the government.
2. Majority of the students of the institute are not serious in studies.

3. Poor communication skill of students in English.
4. Most of the books in library are in English. Hence it is difficult for the students to refer.
5. The college does not have students from different states of India.
6. Non availability of internet connection for the students.

### **Action Taken Report 2020-21**

1. According to the employment policy of the government, there are continuous decreasing opportunities in social work. This policy of government should be openly opposed by the institute.
2. Majority of the students of the institute are not serious in studies. Necessary instructions were given to teachers for increase their enthusiasm and improve their attendance.
3. Poor communication skill in English of students. Institute should take efforts to enhance the language skills of the students.
4. In the meeting of the Library Committee, emphasis was laid on providing funds and spending for the purchase of books in languages other than English.
5. The institute should make efforts for the students of different states to take admission in the college.
6. To provide free Wi-Fi facility to the students studying in the college, in the meeting of the College Council, the decision was passed and necessary instructions were given to make the funds available.
