Feedback From Alumni 2022-23:

ANALYSIS:

Alumni feedback was collected during the months of April-May 2023. Dr. A.A. Sargar, In charge of the Alumni committee collected the feedback and analyzed with the help of office staff. The purpose of this activity was to get the opinion of Alumni on various issues pertaining to the institute. Total 69 alumni participated in the survey. In all fifteen questions were put in the feedback. Following is the analysis of the feedback done by faculty members of the institute. Out of 69 participants there are 56.5% were boys and 43.5% were girls students in the survey. Out of 69 participants there are 78.3% were passed BSW and 21.7% were passed MSW course from the institute. Out of 69 participants there are 31.9.3% were doing jobs and 68.1% were unemployed. Out of total 67 responses 9% doing Govt. job, 16.4% doing private jobs, when 22.4 % are self employed. When asked how many years have they been working 27.3% were recently employed while 7.6% have been employed for less than six months. When asked what kind of work they do, 12.1 % doing counseling work, 9.1% doing research work 28.8% doing clerical job and 33.3% doing nothing.

The important question was asked whether Field work training is significant for the job presently performing by you? To this question the alumni responded as “Highly Relevant” = 31.3%, “Relevant”=43.3%, “very less= 20.9% and remaining “Not relevant” =4.5%. The data reveals that majority of the alumni are of the opinion that while doing job they find that field work training is significant. As regards to significance of research project, the data shows that 31.9% of them find highly relevant while performing job. 52.2% also found it is Relevant, “very less= 13% and while remaining 2.9% found that it is not relevant. The data clearly indicates that majority of the alumni found it is relevant. The alumni responded to the question – significance of social work course to the present job they are performing. Only 15.9% of them had opinion very less, while 11.6% opined that it is not relevant. 42% and 30.4% opined it is highly relevant and relevant respectively. As regards to the question about on the Library was sought. Data reveals that 31.9% said that it is Very Good, 52.2% said it is good, 13% had opinion very less use while 2.9% regarded it as Poor. The finding needs to be taken for consideration for corrective measures. Similarly opinion about their feelings as far as college administrative office is concerned, 78.3% of them said that it is Very Good, 18.8% said it is good while remaining 2.9% graded it as “Poor”. Finding shows that no need of correction in the office administration.

The question was asked to the Alumni whether they feel proud to be Alumni of this institute, 97.1% of them responded positively and said “Always” while remaining 2.9% expressed their inability to respond and said “Can’t say”. Specific question was asked to them as to how can you extend help to the institute. The question was open ended. Their suggestions are grouped as following –

1. 18.8% alumni can help for the continuous development of the institute can give new ideas.
2. 34.8% alumni can motivate future students to take admission to social work course at BPNISW.
3. 2.9% alumni can help to give fee waiver to help poor students.
4. 2.9% alumni can develop soft skills in student’s field and employment.
5. 43.5% alumni can help the institute in organizing rural camps and educational programs.

Another open ended question was asked to them as what are the main drawbacks of this institute? The responses are grouped as following-

1. Not everyone get the opportunity to pursue higher education in the institute.

2. There is lack of guidance from retired teachers of the institute.
3. Conferences and programs are not organized for the alumni of the institute.
4. There is a need for appointment of good experienced professor for English subject.
5. Campus selection and internship program is needed so that employment opportunities are available.
6. Field work training should not suitable for providing employment to the students in future.
7. Institute is unable to provide hostel facility to the outside students.
8. Institute need to modify the classroom furniture.
9. Non availability of internet connection for the students.

Action Taken Report 2022-23

1. According to the employment policy of the government, there are continuous decreasing opportunities in social work. This policy of government should be openly opposed by the institute by various efforts.
2. Field work training is not suitable for providing employment to the students in future. So principal and all teachers decided that all supervisors should choose this type of field work agencies which is able to provide field work experiences like making students employable in future.
3. On the issue of Institute is unable to provide hostel facility to the outside students. The construction of hostel in the college has started since many days. Work has stopped due to lack of funds. As soon as sufficient will available, we will be able to provide hostel facility.
4. Majority of the students of the institute are not serious in studies. Necessary instructions were given to teachers for increase their enthusiasm and improve their attendance.
5. In the meeting of the Library Committee, emphasis was laid on providing funds and spending for the purchase of books in languages other than English.
6. Funds were made available for repairing and purchase of old furniture in the college.
7. To provide free Wi-Fi facility to the students studying in the college, in the meeting Internal Quality Assurance Council (IQAC) of the College, the decision was passed and necessary instructions were given to make the funds available.
